CITY OF ALBUQUERQUE SIXTEENTH COUNCIL

**Urging The Albuquerque Public Schools Board Of Education To Avoid
Redistricting Decisions That Would Require Students To Attend Schools Outside
Districts In Which They Reside.**

CITY OF ALBUQUERQUE SIXTEENTH COUNCIL

**WHEREAS, the Albuquerque Public Schools has created a boundary
committee to recommend proposed changes to Northwest middle school
attendance areas to relieve overcrowding; and**

**WHEREAS, the proposal from the APS boundary committee affects students
currently in the James Monroe Middle School attendance areas; and**

**WHEREAS, the proposal would include busing students in two Northwest
elementary schools, across the river to Northeast middle schools; and**

**WHEREAS, parents and residents in Northwest Albuquerque do not agree
that this proposal is in the best interest of their children; and**

**WHEREAS, the City Council supports the position of the Northwest
Albuquerque parents.**

**BE IT RESOLVED BY THE COUNCIL, THE GOVERNING BODY OF THE CITY OF
ALBUQUERQUE;**

**Section 1. The City Council urges the Albuquerque Public Schools Board of
Education to consider alternatives to the APS boundary committee's proposal that
would result in children of Northwest Albuquerque being bused across the river to
attend school.**

Section 2. The City Council urges the Albuquerque Public Schools Board of Education to postpone any decisions regarding proposed changes to Northwest middle school attendance areas to relieve overcrowding until more viable solutions are considered.
